ABOUT

Zumran International General Trading company is a registered L.L.C Company, was incorporated on March 2015 in Dubai. Since its inception, we established longer and closerworking relationships with our clients and supplier not only to provide immediate and reliable service but also to exceed their expectations and goals.

Zumran International General Trading LLC, a successful trading house with extensive experience acquired over the years is supplemented by reliable supply sources and trustworthy customer base to meet the challenge of the current busines contests. Our success is inextricably linked to our professional and technical capabilities and to our team of highly committed, skilled and trained staff. In addition, we have strong support of our supplier and manufacturers from UAE, Malaysia, India, China & Zambia who give us access to the variety of products. We guarantee quality products and provide the best support available in the market.

MISSION & VISION

- Being market leaders in defined market segments.
- Providing quality products & reliable services and sourcing from reputed manufactures.
- Becoming professional marketing partners for our buyers to meet the objectives of sales, market information, and customer service.
- Being the preferred supplier of our customers, with our products exceeding their quality requirements
- Giving timely information to the customers regarding trends of the market dynamics.

OUR FOCUS

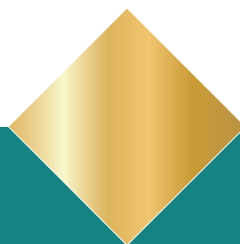

Zumran's focus is to foster growth and promote enduring business ties with its clients. Customer responsiveness and commitment is the driving force in the quest for excellence. Our biggest priority as an international general trading organization is to bring forth value to our clients in terms of negotiation, product quality and pricing. We believe that value creation is an essential part to client satisfaction & business success. Communicating honestly & creating relationships is a big part of who we are. We believe that trustworthiness & transparency are vital elements in retaining and creating successful future business relationships. Responding innovatively to difficult solutions is what sets us apart from our competitors. We believe that this helps us gain a fresh new perspective to problem solving.
